

The Hearth
..... at Drexel

A natural continuation
of the *finer things* in life
A progressive approach
to Assisted Living and Memory Care

The Hearth
..... at Drexel

Welcome to The Hearth at Drexel

a distinctly different type of Assisted Living and Memory Care community, defined by sophisticated luxury and highly personalized care, and designed for the most discerning individuals. We are progressive in our approach—offering three levels of assistance within a unique “household” style of living. Residents maintain their privacy and lifestyle preferences within a supportive, service and amenity-rich community.

The Hearth at Drexel is a proud community of Liberty Lutheran, a top choice for senior living throughout Pennsylvania for more than a century.

Feel confident about the *future*

What sets The Hearth at Drexel apart is our unique blend of sophisticated luxury and highly personalized Assisted Living and Memory Care. Here, residents “age in place”—staying safely and comfortably within the community. If additional care is ever needed, temporarily or long-term, additional services can be arranged at The Hearth. Furthermore, support is provided at a predictable monthly rate that doesn’t increase even if your needs do. At The Hearth, we help each of our residents to realize his or her greatest individual level of independence, wellness and ability.

The *opulence* of the past...

Philanthropist John D. Lankenau founded the Mary J. Drexel Home in 1888 in memory of his wife. The community, now The Hearth at Drexel, is built around a landmark historic mansion in Bala Cynwyd. Liberty Lutheran lovingly restored and renovated the mansion, making it the crowning jewel of our exceptional community.

...the *care* of the future

Liberty Lutheran’s service history and reputation for quality, comfort and security dates back to the 19th century. But our approach to Assisted Living and Memory Care is most definitely 21st-century. Our innovative “household living” model provides residents with the comfort of their own personally decorated private apartment—within a supportive, vibrant household of other residents and a 24-hour caregiving staff. It’s a true household dynamic that benefits from each person’s unique contributions.

The Hearth at Drexel provides a proud way of living without sacrifices and aging with a whole new level of grace.

Three Progressive Levels of Assistance:

Concierge Living—for those who live independently yet require additional support from time to time. If more than occasional assistance is needed, it’s a smooth, seamless transition to Enhanced Living or Memory Care.

Enhanced Living—for personalized assistance with everything from activities of daily living to a more intensive level of health care, with nurses available on-site seven days a week, twenty-four hours a day.

Memory Care—Our *Inspiring Today* Memory Care program nurtures each person’s strengths while maintaining maximum dignity and freedom. Safety, security and quality of life are our highest priorities for each resident.

The worth of our *distinctions*

Our residents have always enjoyed the finer things in life—and there’s no reason to stop now simply because extra support is needed. In fact, this is a time when they can be most appreciated. That’s why The Hearth prides itself on providing exceptional accommodations, attention to detail and personalization of services.

- **“Age in place”** where everything is already provided. Residents stay in the true comfort of their home at The Hearth: our Progressive Levels of Assistance come to you. Easy accommodation without disruption.
- **Care when it’s needed, without you having to vet providers.** Our services are customized to each resident’s unique requirements. Our at-the-ready staff of professionals are rigorously screened and trained to provide a quality standard worthy of our Liberty Lutheran reputation—and, more importantly, your trust.
- **Social fulfillment without sacrificing privacy.** Rather than remain a homeowner isolated with private-duty care, benefit from our complete community and its stimulating environment of caring, friendship and engagement.
- **A proud, prestigious address close to everything that is important.** With a historic landmark mansion as its centerpiece, and elegant residences and grounds, The Hearth is the antithesis to common preconceptions of Assisted Living and Memory Care. Located on the Main Line, we are less than 30 minutes from Center City—and infinite dining, entertainment, and shopping possibilities to enjoy with friends and family.

Providing the care of the future—and *inspiring today*

A progressive approach to Assisted Living and Memory Care

Our innovative model of Household Living

Quite simply, the best way for a community to truly feel like home is for it to act like a household. That's why our style of living provides residents with the comfort of their own personally decorated, private apartment—within a supportive, vibrant “household”—plus a 24-hour caregiving staff that integrates with residents in so many ways that they function as part of the “family.”

Shared common areas and dining provide stimulating social opportunities, while private residences, each with private bath and living room, allow for personal space. It's a true household dynamic that benefits from each person's unique contributions.

Inspiring Today Memory Care

This innovative approach to living helps residents find meaningful moments within each day. Rather than cling to past *used-tos* and lament *can't-dos*, we focus on the things your loved one *can do*. Through *Inspiring Today* Memory Care, and our Six Domains of life enrichment, residents are encouraged to live in the moment and appreciate the possibilities it presents. A proud sense of independence and achievement can still be had in taking a walk, watering plants, personal grooming, painting a picture or singing a favorite song.

INSPIRING *today*

The Hearth at Drexel

Our guiding principles:

Within our secure, innovative household-style Memory Care community, we are ever mindful of our actions and, most importantly, our interactions.

We strive to:

- Showcase each resident's unique strengths
- Create moments for each resident to experience success and joy
- Appreciate the person ahead of the task
- Approach each day from the perspective and abilities of each individual resident
- Connect with residents as we live in each moment together
- Focus on the can-dos of today

At your *service*

Aging in Place • Liberty at Home • Liberty Hospice

Aging in Place

Enjoy the worry-free security of knowing your loved ones will receive all the necessary services, in the privacy and comfort of their own residence at The Hearth. Even as needs change, we provide supportive services, without the need to move residents elsewhere to receive care. We emphasize possibilities, not limitations. Liberty Lifestyles wellness programs offer variety and choices, and keep residents active in meaningful ways. Personalized care plans and a collaborative style create close-knit relationships.

Liberty at Home

Liberty Lutheran's Medicare-certified home health agency, Liberty at Home, helps residents maintain their independence. Liberty at Home can provide skilled medical services, including nursing; physical, occupational and speech therapies; and other health services prescribed by a physician. For residents needing additional care, supportive personal care services can be arranged that enable them to remain living safely and happily in their own home at The Hearth. Liberty at Home is also committed to person-centered care, where services revolve around one's preferences, schedule and needs.

Liberty Hospice

Liberty Hospice is available to support residents and families facing end-of-life concerns. The team of professionals at Liberty Hospice, including registered nurses, hospice nursing aides and bereavement specialists, are specially trained to meet the unique care needs loved ones may face at this time. These hospice services can be provided to residents of The Hearth, allowing them to remain in their home here.

The Hearth at Drexel

A wealth of distinctive details:

- Spacious and private two-bedroom, one-bedroom and studio apartment floor plans from which to choose
- Bright and cheery shared gathering places featuring large windows and floor-to-ceiling stone fireplaces, with the elegant and fully restored woodwork, architectural elements, fine art, and antiques of the historic Mary J. Drexel mansion
- Impeccably landscaped grounds and flowering gardens
- Patios and balconies that provide easy access to fresh air and beautiful views
- Salon services
- Transportation services for private appointments, as well as social events and trips
- Wellness and fitness opportunities
- And so much more
